mp yachts 50 explorer

24 450 000 € HT

DESCRIPTION

The CUSTOM MP 50M EXPLORER steel and aluminium new construction project is now available for sale with 24-month delivery. This Tri-deck Superyacht is based on modern technology design of a displacement hull, with all state-of-the-art amenities including zero speed stabilizers. This stylish concept for an explorer motor yacht features a highly efficient hull, optimized in Computational Fluid Dynamics (CFD), allows to achieve, with 2000 Hp, a maximum speed of 16 knots, a transatlantic range at a cruising speed of 15 knots, and a transpacific rage at 10 to 12 knots economical cruise speed.

Following nature conservation trends, there is also the possibility to implement a hybrid propulsion system, reducing emissions and other substances harmful to the environment, although the engines proposed in the standard version fully comply with the latest regulations.

An open aft deck of 115 m2 has plenty of space to store various tenders, RIBS, even submarines, limo tenders or small cars. A transom garage stores various water toys, bikes, water scooters, Seabobs, diving gear and other watersports equipment.

Regarding the interior layout, the main deck is half dedicated to the Owner's area and the other half is a huge saloon integrating a formal dining area. The lower deck is designed for 4 en-suite staterooms and a vast crew area. In total, the CUSTOM 50M EXPLORER can comfortably accommodate in luxury and style up to 12 Guests in 5 en-suite staterooms and up to 12 crewmembers in 6 cabins.

The wheelhouse is in the upper deck, where the Captain's cabin is also
